

CORSTAY IS A PROGRAM FOR A STAY OF 2 MONTHS ON MARS

WHAT IS CORSTAY?

Corstay is a program for a stay of 2 months on Mars and gain knowledge about different things.

In this Corstay program, people all over the world can join us for a 2 month stay on Mars with their family and friends. They can explore how it feels to live on another planet and how life is on Mars. We will also do a lot of activities there and they are going to be fun.

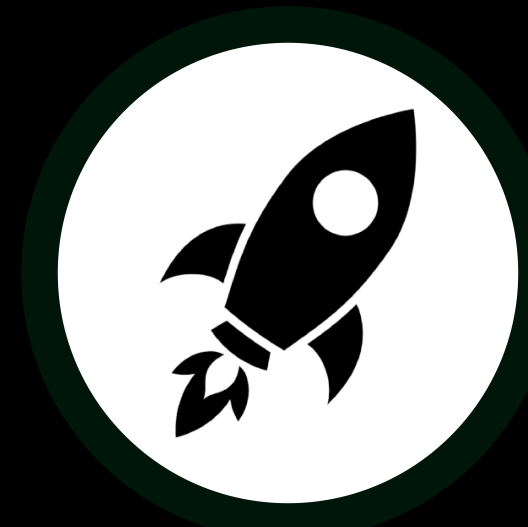

#1

Everyone will be given proper training about how to live there, how to fit in with the surroundings, how to do normal activities, etc. They will be taught how to face different types of consequences and they will also gain much knowledge about the space.

#2

Once you register, you will get an email from us which will be enclosed with all the detailed instructions from our side. Do remember that if any of the instructions are violated, stringent measures would be taken.
